

Providing Licensed Residential Care to Seniors Since 1982

### Kiwanis Care Centre

is pleased to announce that it has earned top marks from Accreditation Canada resulting in Accreditation with Exemplary Standing - the highest rating that a Canadian healthcare provider can receive.

Accreditation Canada is an independent, not-for-profit organization that sets standards for quality and safety in health care and accredits health organizations in Canada and around the world. The rigorous process requires documented and operational evidence of compliance with internationally recognized standards and required organizational practices, and examines eight dimensions of quality. We are extremely pleased with our results that showed 100% compliance in areas of Accessibility (providing timely and equitable services), Client-centered Services (putting residents and families first), and Continuity of Services (experiencing coordinated and

seamless services).

The accreditation surveyor from Accreditation Canada met with staff, physicians and volunteers from across the facility as well as residents, families and community healthcare partners to evaluate the quality and effectiveness of the organization and its programs and services.

“This level of award - Accreditation with Exemplary Standing - is solid evidence of the strong commitment to our residents and passion for excellence demonstrated everyday by the members of our team,” says Lorrie Gerrard, Kiwanis Care Centre Executive Director. “We have an incredible team and this award is a credit to their hard work and commitment to quality.”
